

AMSA Global Health Research Ethics Post-Return Workshop Student Handout

Research Ethics Curriculum Team: Mei Elansary, MD, MPhil; Lauren Graber, MD; Benjamin Margolis; and Kaveh Khoshnood, PhD, MPH.
Contact: meielansary@gmail.com

Objectives:

1. To reflect upon the experiences of students during their international research electives and discuss the ethical dilemmas encountered.
2. To discuss means of mitigating these dilemmas and means of seeking support when doing research internationally.
3. To provide a safe space for students to discuss challenging experiences from their time abroad.

Preparation

1. Complete your written reflection about an ethical dilemma that you encountered in the field. Please reference handout entitled **Research Ethics Post-Return Workshop Student Reflection**.

Confidentiality

- Due to the sensitive nature of this workshop, the experiences discussed in this workshop will remain confidential. Our goal is to create a safe space for discussing challenging experiences with peers.
- Following the workshop, student leaders may ask individuals for permission to use their reflection for future teaching purposes/workshops. If permission is granted, all identifiers will be removed.
