- Coordinators will employ and develop consulting skills as they serve as AMSA's resident experts for their respective issues.

Expectations & Accountability

1. The term of Coordinator is one year beginning on May 1 and ending April 30 of the following year, with a transition period from the close of National Convention in March through the beginning of the term in April.
2. Coordinators serve on a Committee and have oversight from their respective Chair. In addition, they work in collaboration with the Education Chair and Grassroots Chair who serve as consultants to coordinator programming. It is expected that the Coordinators communicate regularly with all Chairs who support them. They are secondarily supported by the VP for Leadership Development and the VP for Programming Development.
3. All leaders shall uphold the expectations and standards of conduct outlined in the National Leadership Handbook. Involvement in AMSA is a serious commitment, and should a leader be unable to fulfill the duties as outlined in this position description and the National Leadership Handbook, s/he may be asked to resign or be dismissed from her/his position.

Action Committees & Teams

4. Deadlines will be provided with sufficient lead time for successful completion. It is expected that deadlines be met and extensions requested prior to lapse of a deadline in order to continue participating in AMSA.

6. Coordinators, along with Chairs, will be expected to establish contact with incoming Chapter Officers following BoF (including an explanation of their role within AMSA and within the first three weeks of M1 attendance), assisting officers with chapter transition planning as needed, and an attempt to attend both the chapters' tabling events and initial recruitment meeting.
