

**AMERICAN MEDICAL STUDENT ASSOCIATION
HOUSE OF DELEGATES 2016
RESOLUTION: B16**

INTRODUCED BY: Nicholas Gastaldo

SCHOOL: Ohio University Heritage College of Osteopathic Medicine

SUBJECT: Petition of Chapter Status

TYPE: Resolution of Internal Affairs

We, the undersigned, petition the American Medical Student Association (AMSA) to establish at our school an affiliate medical chapter to be formally recognized by AMSA. We certify that we and our members are enrolled as students at the aforementioned school and are currently intending to apply for admission to medical school. We recognize AMSA as a professional national organization designed to address the personal and social concerns of physicians-in-training at any level. Thus, we are forming this chapter with the intention to uphold AMSA's mission: to offer soon-to-be-physicians important non-traditional learning experiences to supplement their professional training.
