

**AMERICAN MEDICAL STUDENT ASSOCIATION  
HOUSE OF DELEGATES 2017  
RESOLUTION: B23**

INTRODUCED BY:	Amal Massad
SCHOOL:	Avicina Medical Academy
SUBJECT:	Petition of Chapter Status
TYPE:	Resolution of Internal Affairs

We, the undersigned, petition the American Medical Student Association (AMSA) to establish at our school an affiliate international medical chapter to be formally recognized by AMSA. We certify that we and our members are enrolled as students at the aforementioned school and are currently attending medical school. We recognize AMSA as a professional national organization designed to address the personal and social concerns of physicians-in-training at any level. Thus, we are forming this chapter with the intention to uphold AMSA's mission: to offer soon-to-be-physicians important non-traditional learning experiences to supplement their professional training.

We further certify that the affiliate international medical chapter of AMSA will be established and will function according to the Constitution and Bylaws; Internal Affairs; Preamble, Purposes and Principles of AMSA. We finally certify that an appropriate representative at our school has given approval for the establishment of our affiliate international medical chapter of AMSA.
