

**AMERICAN MEDICAL STUDENT ASSOCIATION
HOUSE OF DELEGATES 2017
RESOLUTION: B7**

INTRODUCED BY: Jessica English, Medical Education Programming Coordinator, Daniel Gouger, Medical Education Chair, Chiamaka Agbasionwe, Medical Education Advocacy Coordinator

SCHOOL: East Tennessee State University Quillen College of Medicine, East Tennessee State University Quillen College of Medicine, New York Medical College

SUBJECT: Principles Regarding Vivisection in Medical Education

TYPE: Resolution of Principle

1 WHEREAS the American Medical Student Association urges the use of non-household pets,
2 condemns the use of household pets, urges optional participation in live animal laboratories, and
3 urged various medical schools to rescind requirements in live animal labs
4

5 WHEREAS the Physicians Committee for Responsible Medicine released the results of a survey
6 (November 15, 2016) that none of the 202 accredited osteopathic and allopathic medical schools
7 in the US and Canada were using live animals to teach medical students any longer.
8

9 **THEREFORE BE IT RESOLVED** that the Principles Regarding Vivisection in Medical
10 Education (p. 102) be AMENDED BY DELETION of the following:
11

12 5. Regarding mandatory participation in animal laboratories:
