**AMERICAN MEDICAL STUDENT ASSOCIATION  
HOUSE OF DELEGATES 2016  
RESOLUTION: C11**

INTRODUCED BY:	Corey Hoch, Chair - Gender & Sex Committee
SCHOOL:	University of Florida
SUBJECT:	Amendment to Principles Regarding Reproductive Rights, Family Planning and Sex Education
TYPE:	Resolution of Principles

---

1 WHEREAS AMSA firmly supports equal access to equally high standards of healthcare, advocacy, and patient education  
2 regardless of many individual factors including but not limited to gender identity; and

3  
4 WHEREAS AMSA seeks to base sex education on increasing knowledge of the unique health needs specific to  
5 adolescents, including lesbian, gay, bisexual and transgender youth (p. 53); and

6  
7 WHEREAS comprehensive reproductive education is the duty of the physician;

8  
9 **THEREFORE BE IT RESOLVED** that the Principles Regarding Reproductive Rights, Family Planning and Sex  
10 Education (p. 51) be AMMENDED BY ADDITION to state:

11       5. In regard to sex education:

12       ...

13  
14       **k. STRONGLY URGES** physicians to thoroughly discuss reproductive and family planning options with  
15 transgender patients prior to hormone replacement therapy and gender confirmation surgeries in addition to post-  
16 treatment reproductive and family planning assessments.
