Meet Our Team of NATIONAL LEADERS!

Perry Tsai
AMSA National President
It is my pleasure to introduce you to AMSA and our national leaders. We have all taken on the task of supporting you, our members. Whether you are a new student navigating our numerous benefits, an officer trying to raise funds, an advocate hoping to learn more, or a future leader who wants to make a change, AMSA will be there every step of the way. Read more about our Vice President of Membership below, and use this map as a reference for whom you can reach out to in the coming year.

Thomas Frauenhofer
AMSA Vice President for Membership
I am a fourth year student at the Alabama College of Osteopathic Medicine. Why AMSA? AMSA is an organization for medical students to collaborate and encourage positive change within the medical community. Members can take advantage of test prep tools that help prepare for the MCAT/USMLE or monetary discounts on travel and banking. Beyond the tangibles, you will have opportunities to become involved in leadership, advocacy, and mentorship. AMSA has made a significant impact in helping me to achieve my career goals and as VPM I want to help you benefit from AMSA as I have.

Check out our AMSA Map to see what region you belong to!
Our Regional Directors would be more than happy to answer any questions you may have or set up an in person chapter visit with your school!
