Meet Our Team of NATIONAL LEADERS!

Perry Tsai
AMSA National President
It is my pleasure to introduce you to AMSA and our national leaders. We have all taken on the task of supporting you, our members. Whether you are a new student navigating our numerous benefits, an officer trying to raise funds, an advocate hoping to learn more, or a future leader who wants to make a change, AMSA will be there every step of the way. Read more about our Premed Trustee below, and use this map as a reference for whom you can reach out to in the coming year.

Haya Al Any
AMSA Premedical Trustee
My hope for this year is to build meaningful relationships with you all and to ensure the success and growth of your chapter. If you’re a pre-med looking for growth personally and professionally, AMSA will guarantee it. I promise you that as you learn more about AMSA, you’ll view medicine through a brand new lens! My job is to help you see through that lens – so let’s connect! Can’t wait to hear from you all soon! Let’s have a great year!

Check out our AMSA Map to see what region you belong to!
Our Regional Directors would be more than happy to answer any questions you may have or set up an in person chapter visit with your school!
