

# Meet Our Team of NATIONAL LEADERS!

**Perry Tsai**  
**AMSA National President**

It is my pleasure to introduce you to AMSA and our national leaders. We have all taken on the task of supporting you, our members. Whether you are a new student navigating our numerous benefits, an officer trying to raise funds, an advocate hoping to learn more, or a future leader who wants to make a change, AMSA will be there every step of the way. Read more about our International Trustee below, and use this map as a reference for whom you can reach out to in the coming year.

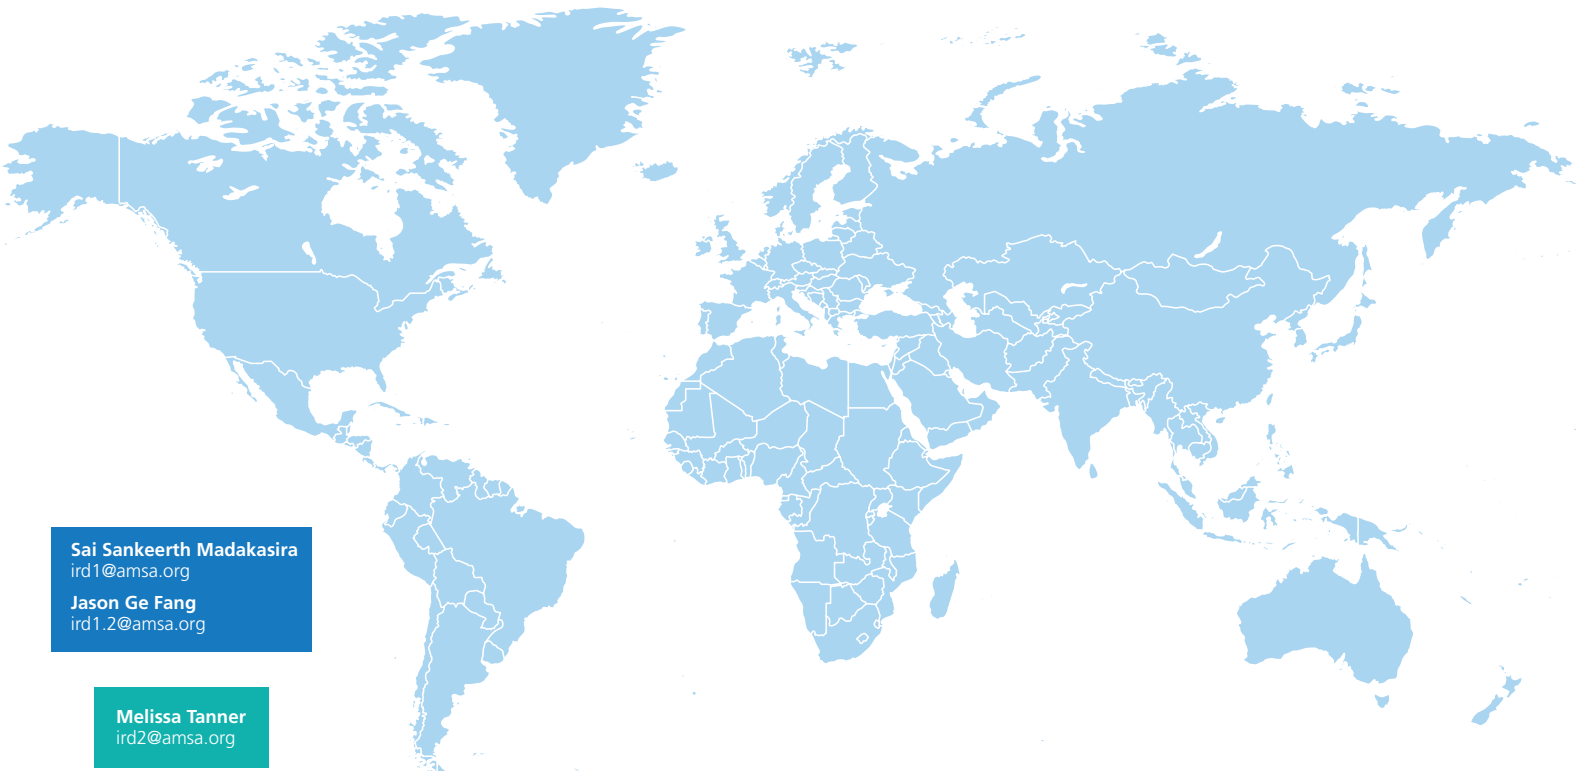

**Yokaira Camilo**  
**AMSA International Trustee**

Welcome to AMSA! I'm here to support AMSA membership, student engagement, and being a part of the Board of Trustees. My goal is to continue showing students the importance of leadership as a future physician, based on my experience in AMSA at a local and national level. I am a medical student at Universidad Iberoamericana School of Medicine, located in Santo Domingo, Dominican Republic.

## Check out our AMSA Map to see what region you belong to!

Our Regional Directors would be more than happy to answer any questions you may have or set up an in person chapter visit with your school!
