

## **Regional Sim Challenge Competitions**

### **EVENT REQUIREMENTS:**

1. All regional Sim Challenge competitions are bound by the conditions, requirements, rules and regulations, and terms and conditions of the [national competition](#).
2. Regional competitions must include teams outside of the host school. A regional competition is not a school based sim competition.
3. Regional competitions must be approved by AMSA national in advance
  - a. Host school must apply through the AMSA national website
  - b. Team registration must take place on AMSA national website
4. Host school must reserve space for the event.
  - a. Should be large enough room/theatre to accommodate teams and spectators
  - b. Equipment must be provided by the school
5. Host school must secure judges for the competition.
  - a. Each competition must secure three judges per event
  - b. Judges cannot be team advisors or faculty from any of the schools competing in the event

### **REGIONAL COMPETITION STRUCTURE:**

1. Host school must provide proof of faculty advisor support for the event.
2. Host school will select the cases/scenarios for the competition.
3. Cases must be approved by host school faculty.
4. Host school can determine the structure of the competition, including the following:
  - a. number of teams allowed to compete
  - b. length of time allowed for each round
  - c. number of teams that compete in each round (i.e. single elimination between two teams, double elimination between three teams, including a preliminary round, etc.)

### **REGIONAL COMPETITION RESULTS:**

1. The winning team receives an automatic spot in the national Sim Challenge competition.
2. The winning team may be asked to participate in the preliminary round at the national competition, but will automatically advance to the single elimination competition.
3. All members of the winning team will receive a discount for AMSA Convention registration.

### **OPPORTUNITIES FOR PREMEDICAL STUDENT PARTICIPATION:**

1. Host school can market the event to premedical students.
2. Host school can offer medical school tours to attendees.
3. Host school can offer clinical skills trainings to attendees.
4. AMSA National will support the marketing efforts to premedical students should the host school wish to include them in the event.
