

WHAT IS AMSA?

amsa

It's where you become the next changemaker.

You believe in health equity – and you're ready to see it through.

We do too. Let's make change happen – together.

MEET YOUR NEW COMMUNITY: AMSA.

The American Medical Student Association (AMSA) emboldens medical students to become leaders. To advocate for issues that matter to us as future physicians. To surround yourself with nearly 30,000 like-minded future physicians eager to realize change in meaningful, lasting ways. Learn how.

JOIN US!

amsa

empowering future physicians

Education

Zeroing in on timely, key issues often not taught in medical school – centered on equity & justice.

Advocacy

Training and experience in leadership, activism, grassroots organizing & talking to legislators.

Support

Networking with a welcoming, inclusive community of 350K+ like-minded peers, alumni & experts.
