# A few AMSA alumni

AMSA loyalty runs deep. Both members and our renowned alumni share a common DNA: a belief in change, progress and promise. Meet a few AMSA alumni, the kind of influencers who credit AMSA for providing them a bold, fresh start in their careers.

**ERIC E. WHITAKER**

Physician, Health Policy Expert

**LEANA WEN**

Physician, Public Health Professor,  
Author & Speaker

**KAVITA PATEL**

Fellow, Brookings Institute

“

I'm so proud to be part of AMSA then and now... We're not here because we want to protect our own interests. **We're here because we want to do something much bigger than ourselves.** And that something is safeguarding health, understanding that health is a basic human right.”

– Dr. Leana Wen, AMSA Alumni  
Physician, Professor, Author & Speaker

**What's in it for you?**

# What sets AMSA apart?

Our Brand DNA.

## WE'RE UNAPOLOGETIC

We do audacious work in the name of health equity and access. We're committed.

## WE ARE STUDENT-LED

Since our inception, students run the show. We bring the ideals, drive and optimism to make change happen.

## NO DIRTY MONEY.

We don't take big pharma money that would compromise our work – our values.

## WE ARE EXPERIENCED.

70+ years of activism, student training, movement-making.

# What's in it for members?

Over-arching benefits

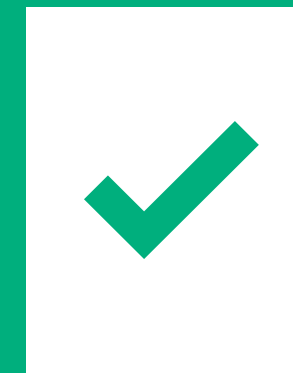

## YOU MAKE CHANGE.

You join our crusade to make health care equitable and just.

## YOU STAND APART.

As a leader. A driven future physician. An applicant with a strong CV.

## YOU NETWORK.

At AMSA, you make contacts for life. You can connect with mentors, experts + alumni

## YOU GET DEALS.

We've got a sweet line-up of Member Benefit Partners to get you discounts.
